

# GALAXY I

LUXURY YACHT CHARTERS ♦ PORT DOUGLAS ♦ GREAT BARRIER REEF ♦ AUSTRALIA

You will truly  
experience  
the ultimate  
in pleasure  
cruising...

## ABOUT GALAXY I

Launched in 1998 and extensively refitted in 2006, MY Galaxy I is a 26 metre luxury superyacht based in the stunningly beautiful area that is Tropical North Queensland. Sleek, sophisticated and superbly appointed, Galaxy I is designed for indulgence and will satisfy the most discerning traveller.

Permanently berthed in Port Douglas, Galaxy I is available for a maximum of 12 people for day charters to the Great Barrier Reef.

Alternatively, sleeping 6 passengers comfortably, Galaxy I is perfectly designed for extended multi day cruise itineraries aimed at exploring and experiencing one of the natural wonders of the world.

## EMBRACING THE ENVIRONMENT

First impressions of Galaxy I are of lovely lines, polished timbers and chrome. Interior highlights are of rich textures and materials intended to accompany features that have been specifically designed to embrace the environment of the Tropical North.

All interior areas are air conditioned and the rear saloon deck can be enclosed for air conditioning as well. Flat screen televisions with satellite coverage, DVD players with a full library and a surround sound stereo system ensure that creature comforts are never far away. Wireless internet is also available for guests wishing to

stay in touch with the outside world.

Dining aboard Galaxy I is an experience in itself. With two designated dining areas and casual seating on both the forward and upper decks, Galaxy I is perfect for revelling in the climate that makes this area one of the most desirable to visit in all of Australia.

Galaxy I's onboard chef takes full advantage of the abundance of local natural produce, whilst ensuring that every palate is catered to. Everything from formal dinners to casual BBQs are offered for consideration.

## ACCOMMODATION

Comfortably sleeping 6 passengers, the staterooms of Galaxy I continue the attention to detail seen right through the entire vessel. The master stateroom boasts a king size bed with marble ensuite. The stateroom also has its own TV and DVD player and stereo system. Two guest staterooms feature twin bedding and ensuites, TVs and DVD players.

- 1 Master Cabin (King Size)
- 2 Guest Twin Cabins
- TV & DVD in each cabin
- Fully airconditioned

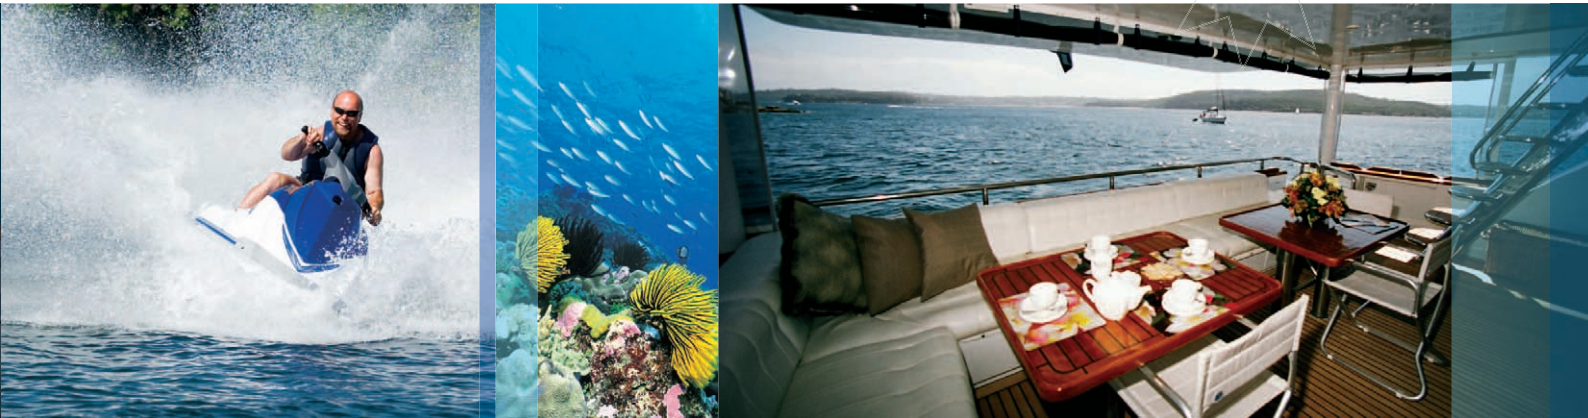

For those  
seeking  
a little  
adventure...

## RELAXING AND EXPLORING

Galaxy I is designed around three spacious decks allowing guests to mingle as a group or to find their own space.

The upper deck of Galaxy I is perfect for relaxing on a sun lounge in the balmy climate of the Tropical North.

The forward deck is ideal as a sunset venue complete with canapés and pre-dinner drinks, while the saloon deck is a perfect example of why alfresco dining is preferred in this area of Australia.

For those seeking a little adventure, Galaxy I's wave runner will supply endless hours of fun.

The vessel also has a full range of snorkelling and fishing equipment as well as several sea kayaks.

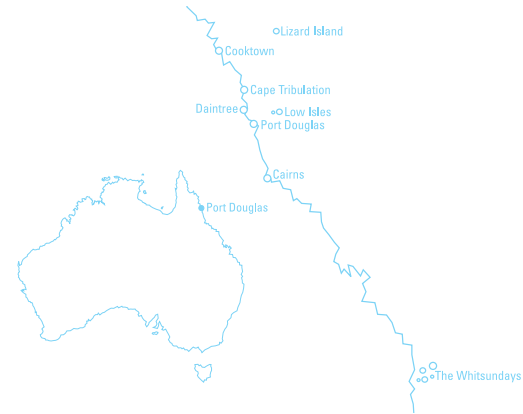

Galaxy I is also serviced by a 60hp tender to ensure access to all areas.

## WHERE TWO WORLD HERITAGE AREAS MEET

Port Douglas provides direct access to the world's largest marine park – The Great Barrier Reef. Extending over 2300km from the tip of Cape York to the Central Queensland Coast, it is made up of 2900 individual reefs and 71 coral islands.

Looking from Galaxy I's decks towards land, nature's splendour is on display with the World Heritage listed rainforests of North Queensland, the oldest continuing rainforest on Earth.

Galaxy I can design an itinerary to combine both of these areas that will be remembered long after the trip has ended.

## INCENTIVES

### Reward the Deserving

When you need to really thank or reward those special high achievers or your very top clients, consider the benefits of Galaxy I.

Choose from a selection of itineraries featuring both day and multi day excursions to a vast array of destinations and locations.

All itineraries can include full food and beverage services by Galaxy I's onboard crew. Guests have full access to all that Galaxy I has to offer; it will be the ultimate reward, long remembered as a highlight of any itinerary.

## EXPEDITIONARY CHARTERS

An experience that truly defines "once in a lifetime;" Australia is the only place on Earth where you can swim and dive with Minke whales

Each year, during the months of June and July, the Minke whales enter their winter playground of the Great Barrier Reef. Galaxy I is pleased to offer a signature expeditionary itinerary to encounter the beauty of one of the ocean's most inquisitive creatures. Experience the awe of connecting with another species in one of the world's natural wonders.

Your encounter with the Minke whales is supported through onboard lectures by Marine Biologists and experts on the Dwarf Minke Whale. With Galaxy I as your luxury expeditionary vessel, this experience is one of the planet's most captivating and memorable encounters with Mother Nature.

## DAY CHARTERS

### Low Isles Itinerary (Full Day)

Depart 9:00am Return 4:30pm  
Maximum Passengers 12

**Journey to one of the jewels of the Great Barrier Reef, the enchanting coral cay island of Low Isles, just 1 hour from Port Douglas. Fringing coral reefs, sandy beaches and tropical rainforest combine to offer a very relaxing experience. Relax aboard Galaxy I as the crew serves lunch or take a leisurely stroll around Low Isles. No trip to the Great Barrier Reef is complete without seeing the kaleidoscope of colour below the water's surface and Galaxy I's crew is on hand to ensure that this adventure will be one to savour.**

### Outer Reef Itinerary (Full Day)

Depart 8:15am Return 5:30pm  
Maximum Passengers 12

**Galaxy I's Outer Reef itinerary is an experience that will not be forgotten. Boarding early morning, Galaxy I cruises for approximately 2 hours to a specially selected location on the outer ribbon reefs. Typically the visibility is excellent, the marine life abundant and the coral amazing as you immerse yourself into this extraordinary natural wonder. Guests are also encouraged to utilize Galaxy I's spacious decks, and to relax and enjoy all that Galaxy I has to offer. Lunch is served by Galaxy I's onboard chef.**

## OVERNIGHT CHARTERS

### Multi-Day Itinerary from Port Douglas incorporating Cape Tribulation and the Great Barrier Reef

#### Day One (L,D)

Leaving Port Douglas you and your guests will cruise to the mouth of the mighty Daintree River. You will be met by an experienced tour operator who will take passengers on a ½ day tour into the ancient rainforests of the Daintree. Arriving back on Galaxy I, sunset drinks are served as you relax at your sheltered overnight anchorage.

#### Day Two (B,L,D)

Awake to the solitude of a Great Barrier Reef morning. Breakfast is served alfresco on the saloon deck as Galaxy I begins cruising to the Outer Barrier Reef. The reef is yours to enjoy

as Galaxy I's experienced crew help you to encounter this wonderful natural spectacle. At the end of the day, drinks and canapés are served as you enjoy a sunset like no other before sitting down to dinner tailored to your specific tastes.

#### Day Three (B)

Enjoy a leisurely breakfast as Galaxy I begins the cruise home. The last stop on the journey is the spectacular coral cay of Low Isles which is home to an abundance of marine life. Indulge in a final swim on the Great Barrier Reef, before the marina of Port Douglas beckons and Galaxy I berths mid afternoon.

### Multi-Day Itinerary from Port Douglas incorporating Lizard Island

#### Day One (D)

Leaving Port Douglas mid afternoon, you will cruise to the stunning Undine Sand Cay. There is time for a quick snorkel before drinks and canapés are offered, watching the sunset over the Great Barrier Reef. Dinner is served before Galaxy I departs for an overnight cruise to its next anchorage.

#### Day Two (B,L,D)

Awake to the gentle dawn light of North Queensland's sunrise. Breakfast is served alfresco on the saloon deck as you look forward to the day's activities on the ribbon reefs of the Great Barrier Reef. The reef is yours to enjoy as Galaxy I's experienced crew help you to encounter this wonderful natural spectacle. Snorkelling and exploring on Galaxy I's wave runner and sea kayaks are just some of the activities available before sitting down for lunch. By prior arrangement a dive instructor can take you diving on the Great Barrier Reef. At the end of the day, drinks and canapés are served as you look forward to a culinary event by Galaxy I's onboard chef. Galaxy I will then cruise through the night to its next location.

#### Day Three (B,L,D)

Another day of exploration on the Great Barrier Reef as Galaxy I cruises closer to Lizard Island. A different diving and snorkelling location offers new opportunities to enjoy the kaleidoscope of colour that is the underwater wonder of the Great Barrier Reef. You may wish to just relax with full wireless internet and satellite TV available. All meals will be served onboard as you enjoy your final night on Galaxy I.

#### Day Four (B)

Enjoy a leisurely breakfast as Galaxy I arrives at Lizard Island. Indulge in a final swim on the Great Barrier Reef, before the crew of Galaxy I take you ashore for your stay at Lizard Island Resort or return air transfer back to Cairns. (Stays at Lizard Island and air transfers are not included in charter quotes.)

NB: To maximise time on the Great Barrier Reef, the majority of cruising is done at night time while guests are sleeping.

This itinerary may be operated in reverse.

## THE CREW

Safety and security whilst on board is assured, with a crew superbly trained and boasting experiences from the oceans of the world. Galaxy I is fitted with the latest navigation and communications technology and is thoroughly equipped for safely cruising the waters of the Great Barrier Reef.

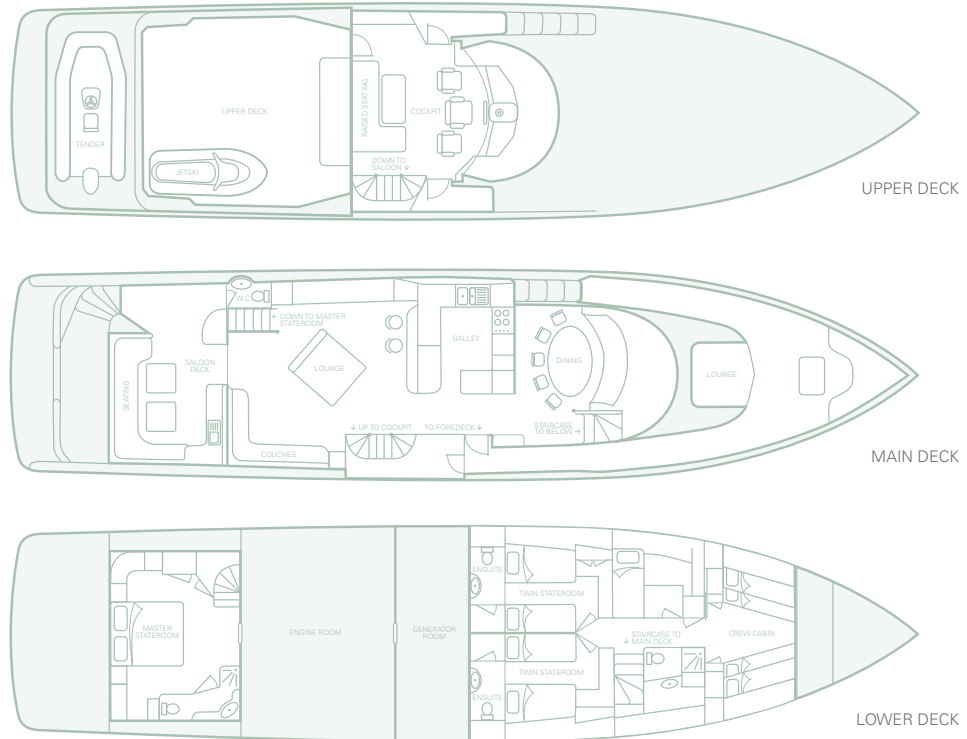

### **Captain Nick Atkinson**

Nick has over 20 years marine experience, 12 of those spent working as Chief Engineer on some of the world's most prestigious and technologically advanced superyachts.

Nick has undertaken the arduous trans-atlantic and trans-pacific sea routes on numerous occasions. He is also experienced cruising the Mediterranean, the East Coast of the USA, the Caribbean and the South Pacific. His wide-ranging experience and skill make him an excellent Captain and Engineer, and have earned him respect in the industry.
